### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these combined financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Miles Perret Cancer Services and Affiliate as of December 31, 2020, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Notes to Combined Financial Statements

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### Nature of Activities

Miles Perret Cancer Services, a nonprofit corporation (“Organization”), was formed on March 1, 2002 pursuant to the laws of the State of Louisiana. It is a planning, fund-raising, and allocating organization serving the Acadiana area. Miles Perret Cancer Services is located in Lafayette Parish. The objective of the Organization is to serve those in Acadiana fighting cancer, with care and compassion. The Organization also conducts an annual fundraising event, the Games of Acadiana, to fund the Miles Perret Cancer Services. The majority of the contributions generated are from the Games of Acadiana, private donations, and grants. The Organization is governed by a volunteer board of directors.

##### Principles of Combination

The accompanying financial statements include the combined accounts of Miles Perret Cancer Services and its affiliate, Games of Acadiana L.L.C. The entities are commonly owned, managed, and operated. All significant intercompany balances and transactions have been eliminated.

##### Basis of Accounting

The Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions.

*Net Assets without Donor Restrictions* – Net assets that are not subject to donor-imposed stipulations or grantor-imposed restrictions.

*Net Assets with Donor Restrictions* – Net assets with donor restrictions are resources that are subject to donor-imposed or grantor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

##### Revenue and Revenue Recognition

On May 28, 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers (Topic 606). The standard prescribes a single model for revenue recognition, with a set of principles to be used for determining when revenue should be recognized. It also requires expanded disclosures about the nature, amount, and timing of revenue and cash flows. This standard is effective beginning January 1, 2019. The adoption of this new guidance did not have a material impact on the Organization’s financial statements.

## MILES PERRET CANCER SERVICES AND AFFILIATE

### Notes to Combined Financial Statements

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue is recognized when earned. Program service fees and payments under cost reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed, or expenditures are incurred, respectively. Contributions are recognized when cash, or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction.

#### Revenue with and without Donor Restrictions

Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. Contributions of property and equipment are reported as net assets with donor restrictions if the donor restricted the use of the property or equipment to a particular program, as are contributions of cash restricted to the purchase of property and equipment. Otherwise, donor restrictions on contributions of property and equipment or assets restricted for purchase of property and equipment are considered to expire when the assets are placed in service.

All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

#### Donated Services and Equipment

Donated services and equipment are reflected in the accompanying statements at their estimated values at the date of receipt. The donations of services are recognized if the services (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing these skills and would typically need to be purchased if not provided by donations. No amounts have been reflected in the statements for volunteer services, since no objective basis is available to measure the value of such services. Nevertheless, a substantial number of volunteers have donated significant amounts of their time in the Organization's program services and its fundraising activities.

#### Income Tax Exemption

The Organization qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore has no provision for federal income taxes. In addition, the Organization has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the code. It is also exempt from Louisiana income tax. However, should the Organization engage in activities unrelated to its exempt purpose, taxable income could result. The Organization had no material unrelated business income for the fiscal year under audit.

## MILES PERRET CANCER SERVICES AND AFFILIATE

### Notes to Combined Financial Statements

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounting Standards Codification 740 (ASC 740) requires that a tax position be recognized or derecognized based on a "more than not" threshold. This applies to positions taken or expected to be taken in a tax return where there is uncertainty about whether a tax position will ultimately be sustained upon examination. The Organization has evaluated its tax positions and determined that it does not have any uncertain tax positions that meet the requirements of ASC 740. Accordingly, implementation of ASC 740 did not have any impact on the accompanying financial statements.

##### Property and Equipment

Property and equipment includes land, office furniture, equipment and auto/transport equipment. The Organization capitalizes expenses in excess of \$1,000 which are capitalized at cost for purchased items and at their estimated fair market value for donated items. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Depreciation is provided over the estimated useful lives of the respective assets using straight-line depreciation methods, which range from five to ten years.

##### Inventory

Inventory is stated at the net realizable value. Inventory consists of materials donated and purchased to fund programs and support services of the Organization.

##### Cash and Cash Equivalents

For financial statement purposes, the Organization considers all unrestricted highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

##### Investments

The Organization has adopted the Financial Accounting Standards Board in its Statement of Accounting Standards Codification No. 958-320, "*Not-for-Profit Entities-Investments-Debt and Equity Securities.*" Under FASB ASC 958-320, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

In January 2016, the FASB issued ASU 2016-01, *Financial Instruments – Overall (Subtopic 825-10: Recognition and Measurement of Financial Assets and Financial Liabilities*, and subsequently issued related *ASU 2018-03, Technical Corrections and Improvements to Financial Instruments—Overall (Subtopic 825-10)*. These standards amend certain aspects of accounting and disclosure requirements for financial instruments, including the requirement that equity investments with readily determinable fair values are to be measured at fair value with any changes in fair value recognized in the statement of changes in net assets. The Organization adopted this standard on January 1, 2019 and the adoption of this new guidance did not have a material impact on the Organization's financial statements.

The Organization's policy is to recognize the costs of compensated absences when actually paid to employees.

The preparation of financial statements in conformity with generally accepted accounting principles require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### NOTE 10 COVID-19 PANDEMIC

In December 2019, a novel strain of coronavirus (COVID-19) was reported to have surfaced in China. The World Health Organization has characterized COVID-19 as a pandemic. The COVID-19 outbreak is disrupting supply chains and affecting production and sales across a range of industries. The extent of the impact of COVID-19 on our operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on our customers, employees and vendors all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact our financial condition or results of operations is uncertain.

#### NOTE 11 PAYCHECK PROTECTION PROGRAM

On April 9, 2020, the Organization received loan proceeds in the amount of \$147,000 under the Paycheck Protection Program (“PPP”). The Organization is accounting for the PPP funding as a conditional contribution under ASC 958-605. The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act (CARES Act), provides for loans to qualifying entities for amount up to 2.5 times the average monthly payroll of the qualifying entity. The loans are forgivable as long as the borrower uses the loan proceeds for eligible expenditures within an eight to twenty-four week period. Eligible expenditures include payroll, employee benefits, rent, and utilities. The amount of loan forgiveness can be reduced if the borrower terminates employees or reduces salaries between the eight and twenty-four week period. The unforgiven portion of the PPP loan is payable over two years at an interest rate of 1%.

On March 4, 2021, the Organization was notified by the Small Business Administration that full forgiveness in the amount of \$147,000 was granted. Paycheck Protection Program income in the amount of \$147,000 is reflected in the statement of activities for the year ended December 31, 2020.

On February 18, 2021, the Organization received a second Paycheck Protection Program loan in the amount of \$129,410. The Organization intends to use the proceeds for purposes consistent with the program.
