Camellia Crossing

Camellia Crossing, Acadiana's Gleaux Run is a great way for families to come together on Thanksgiving Eve to give thanks and support Miles Perret Cancer Services. The night time 1-mile walk and 5K run fills Camellia Boulevard with gleauxing runners and walkers. We provide you with gleaux gear and encourage your creativity in *getting your gleaux on*.

Join us for the 22nd annual Camellia Crossing and help local families *fight, survive* and *live* with cancer.

Your Direct Impact: More Than 27,000 Local Families Have Been Served

Through our office in Lafayette, the Mobile Miles Program, and Outreach Program in local treatment facilities, services are extended to communities throughout our 10-parish service area. Since its inception, Miles Perret Cancer Services has served over 27,000 local families. However, the reality of our success is not in numbers but in lives changed. By taking control of their individual paths to wellness, our clients are empowered to think of themselves not as cancer patients, but as survivors.

100% of the Funds Raised Stay in Acadiana

All funds raised for MPCS come directly from sponsorships and donations; no government funding is accepted. These funds allow us to provide our clients who reside or receive treatment in Acadiana with the non-medical, interstitial assistance critical to their well-being.

Jonathan Miles Perret

Miles Perret Cancer Services opened its doors in 2002 in memory of Miles Perret. Although Miles lived only eight years, his life was filled with curiosity, joy, and love and he left an impression on all who knew him. When Miles was diagnosed in 1995, his family determined right away that he would have as normal and carefree life as possible. Their journey with him provided firsthand experience of the daily challenges families and individuals face when fighting cancer. Miles Perret Cancer Services was created to help others meet those challenges. Our mission is to help local families fight, survive, and live with cancer with care and compassion.
