ABOUT MILES PERRET CANCER SERVICES

Miles Perret Cancer Services (MPCS) is a resource center for individuals who have been diagnosed with cancer. We opened our doors in 2002 in memory of Jonathan "Miles" Perret. Miles's journey provided his family with firsthand experience of the daily challenges families and individuals face when fighting cancer. Our goal is to meet the needs of cancer survivors and their families in a very personal way. We are here to provide emotional support, guidance, resources, programs, and most of all, HOPE.

Our services are comprehensive regardless of age or circumstances and there are no qualifications. Thanks to the continued support of our community, all services are provided at no charge. All funding comes entirely from the generosity of individuals and businesses in our 10-parish service area. We are located in Lafayette, and our mobile unit and outreach programs extend services throughout Acadiana.
